The 50th General Assembly of the OAS failed to tackle the important theme set by its 33 legitimate member states. Sadly, it also failed the people of the Americas, who continue to be plagued by COVID-19 and are looking to governments to find a solution collectively.

~~COMMENTARY: OAS General Assembly failed the people of the ...~~

In short, the General Assembly is a co-equal branch of government. It just has to act like one. There has been nothing standing in the way of the General Assembly conducting oversight of the governor and his administration ' s response from the beginning.They could have assured Tennesseans that a truly united response by state government to the health and economic well-being of citizens was ...
