From the first preaching of the Gospel in Israel across the west to Europe and America, America's Providential History defends the idea of the Westward Chain of Christianity, explaining how America was ripe for 'cultured Indo-Europeans'. From this perspective, the authors trace the hand of God throughout the founding and establishment of America.

America's Providential History, Third Edition: Mark A ...
America's Providential History. Beliles and McDowell have rewritten much of the Principle Approach material from Rosalie Slater, Verna Hall, Arnold Guyot, and others, into a very readable book. The theme--that God in His providence directs both individuals and nations--is prominent. It begins with an overview of geography and ancient history to lay groundwork for presenting the theme in the context of American history, economics, and foreign affairs.

Americas Providential History by Mark Beliles - AbeBooks
Teaching a Providential View of History. When teaching a providential view of history, our view of history isn't that there is a "Christian history" and then "secular history." All of history is God's story, it's His Story. His working with people, places, and events to bring about his Kingdom, rule, and reign. The main purpose of history is story of God.
