compelling characters in all of contemporary fiction-returns in Preston and Child's new exhilarating novel BLUE LABYRINTH A long-buried family secret has come back to haunt Special Agent Aloysius Pendergast. It begins with murder. One of Pendergast's most implacable, most feared enemies is found on his doorstep, dead. Pendergast has no idea who is responsible for the killing, or why the body was brought to his home. The mystery has all the hallmarks of the perfect crime, save for an enigmatic clue: a piece of turquoise lodged in the stomach of the deceased. The gem leads Pendergast to an abandoned mine on the shore of California's Salton Sea, which in turn propels him on a journey of discovery deep into his own family's sinister past. But Pendergast learns there is more at work than a ghastly

episode of family history: he is being stalked by a subtle killer bent on vengeance over an ancient transgression. And he soon becomes caught in a wickedly clever plot, which leaves him stricken in mind and body, and propels him toward a reckoning beyond anything he could ever have imagined....

Racing to uncover the mystery of several severed feet found floating in the Gulf of Mexico, Agent Pendergast is faced with the most inexplicable challenge of his career in this installment of the #1 New York Times bestselling series. A startling crime with dozens of victims. Appearing out of nowhere to horrify the quiet resort town of Sanibel Island, Florida, dozens of identical, ordinary-looking shoes float in on the tide and are washed up on the tropical beach--each one

with a crudely severed human foot inside. A ghastly enigma with no apparent solution. Called away from vacation elsewhere in the state, Agent Pendergast reluctantly agrees to visit the crime scene--and, despite himself, is quickly drawn in by the incomprehensible puzzle. An early pathology report only adds to the mystery. With an ocean of possibilities confronting the investigation, no one is sure what happened, why, or from where the feet originated. And they desperately need to know: are the victims still alive? A worthy challenge for a brilliant mind. In short order, Pendergast finds himself facing the most complex and inexplicable challenge of his career: a tangled thread of evidence that spans seas and traverses continents, connected to one of the most baffling mysteries in modern medical science. Through shocking

twists and turns, all trails lead back to a powerful adversary with a sadistic agenda and who--in a cruel irony--ultimately sees in Pendergast the ideal subject for their malevolent research.

Two brothers. One a top FBI agent. The other a brilliant, twisted criminal. An undying hatred between them. Now, a perfect crime. And the ultimate challenge: Stop me if you can...

Nora Kelly, a young archaeologist in Santa Fe, receives a letter written sixteen years ago, yet mysteriously mailed only recently. In it her father, long believed dead, hints at a fantastic discovery that will make him famous and rich---the

lost city of an ancient civilization that suddenly vanished a thousand years ago. Now Nora is leading an expedition into a harsh, remote corner of Utah's canyon country. Searching for her father and his glory, Nora begins to unravel the greatest riddle of American archeology. but what she unearths will be the newest of horrors...

IN 1695, a notorious English pirate buried his bounty in a maze of booby-trapped tunnels on an island off the coast of Maine. In three hundred years, no one has breached this cursed and rocky fortress. Now a treasure hunter and his high-tech, million-dollar recovery team embark on the perfect operation to unlock the labyrinth's mysteries. First the computers fail. Then the crewmen begin to die. The island

has guarded its secrets for centuries, and it isn't letting them go--without a fight.

In Douglas Preston's *Blasphemy*, the world's biggest supercollider, locked in an Arizona mountain, was built to reveal the secrets of the very moment of creation: the Big Bang itself. The Torus is the most expensive machine ever created by humankind, run by the world's most powerful supercomputer. It is the brainchild of Nobel Laureate William North Hazelius. Will the Torus divulge the mysteries of the creation of the universe? Or will it, as some predict, suck the earth into a mini black hole? Or is the Torus a Satanic attempt, as a powerful televangelist decries, to challenge God Almighty on the very throne of Heaven? Twelve scientists

under the leadership of Hazelius are sent to the remote mountain to turn it on, and what they discover must be hidden from the world at all costs. Wyman Ford, ex-monk and CIA operative, is tapped to wrest their secret, a secret that will either destroy the world...or save it. The countdown begins... Twelve years ago, Special Agent Pendergast's beloved wife was murdered during an African safari -- and now, he's on a quest for revenge. Devastated by the discovery that his wife, Helen, was murdered, Special Agent Pendergast must have retribution. But revenge is not simple. As he stalks his wife's betrayers--a chase that takes him from the wild moors of

Scotland to the bustling streets of New York City and the darkest bayous of Louisiana--he is also forced to dig further into Helen's past. And he is stunned to learn that Helen may have been a collaborator in her own murder. Peeling back the layers of deception, Pendergast realizes that the conspiracy is deeper, goes back generations, and is more monstrous than he could have ever imagined--and everything he's believed, everything he's trusted, everything he's understood . . . may be a horrific lie.

The largest known meteorite has been discovered, entombed in the earth for millions of years on a frigid, desolate island off the southern tip of Chile. At four thousand tons, this treasure seems impossible to move. New York billionaire Palmer Lloyd

is determined to have this incredible find for his new museum. Stocking a cargo ship with the finest scientists and engineers, he builds a flawless expedition. But from the first approach to the meteorite, people begin to die. A frightening truth is about to unfold: The men and women of the Rolvaag are not taking this ancient, enigmatic object anywhere. It is taking them.

From the author of the #1 New York Times bestseller *The Lost City of the Monkey God* comes an entrancing, eloquent, and entertaining account of the author's adventurous journey on horseback through the Southwest in the heart of Navajo desert country. In 1992 author Douglas Preston and his wife and daughter rode horseback across 400 miles of desert in Utah, Arizona, and New Mexico. They were retracing the

route of a Navajo deity, the Slayer of Alien Gods, on his quest to restore beauty and balance to the Earth. More than a travelogue, Preston's account of their "one tough journey, luminously remembered" (Kirkus Reviews) is a tale of two cultures meeting in a sacred land and is "like traveling across unknown territory with Lewis and Clark to the Pacific" (Dee Brown, author of *Bury My Heart At Wounded Knee*).

From #1 New York Times bestselling authors Preston & Child, an all-new short story featuring Agent Pendergast, available only as an ebook and audio download.
