Introduction. Catholic social teaching has been called the Church's "best kept secret.". Yet, from the beginning of time, God's call to justice has been clear. The Law and the Prophets both pre- serve a deep tradition of social justice in ancient Israel. Jesus himself proclaimed and embodied a society ruled by justice and charity—the Reign of God.

Handbook of Catholic Social Teaching employs a question and answer format, to better accentuate the response of the Church's message to the questions Catholics have about their social role and what the Church intends to teach about it. Written in consultation with the Pontifical Council for Justice and Peace, the Handbook should take its place alongside the Catechism of the Social Doctrine of the Church on the shelf of informed Catholics as works that can inform what we believe and do in the public sphere.

Topics related to Catholic social teaching emerge regularly in American political and civic discourse, often connected to discussions about religious freedom, abortion, immigrant rights, racism, capital punishment, and health care. This third edition of A Concise Guide to Catholic Social Teaching by Rev. Kevin E. McKenna incorporates the essential teachings of Pope Francis in Evangelium Gaudium, Laudato Si', and Amoris Laetitia to offer a clear, beginner-level reference tool and study guide for Church leaders and other interested Catholics to help them navigate this vast body of teaching. Building on core themes of human dignity, community, rights and responsibilities, option for the poor, dignity of work, solidarity, and care of creation, McKenna distills a vast amount of Catholic teaching into easily digestible summaries, each carefully referenced to its primary source and correlated to pressing issues making today's headlines. The book includes crucial teachings of the popes from Louis XIII through Francis as well as from the United States Conference of Catholic Bishops. Each chapter concludes with questions for reflection and dialogue and appendices provide tools for parishes and study groups. This practical and thorough guide remains a perennial favorite for study and reference in Catholic parishes, universities, and ministry formation programs.

This Leader's Guide provides a flexible resource for infusing Catholic social teaching into a variety of programs and activities.

This book investigates the response of the Catholic Church in Northern Ireland to the conflict in the region during the late Twentieth Century. It does so through the prism of the writings of Cardinal Cahal Daly (1917-2009), the only member of the hierarchy to serve as a bishop throughout the entire conflict. This book uses the prolific writings of Cardinal Daly to create a vision of the "Peaceable Kingdom" and demonstrate how Catholic social teaching has been used to promote peace, justice and nonviolence. It also explores the public role of the Catholic Church in situations of violence and conflict, as well as the importance for national churches in developing a voice in the public square.Finally, the book offers a reflection on the role of Catholic social teaching in contemporary society and the ways in which the lessons of Northern Ireland can be utilised in a world where structural violence, as evidenced by austerity, and reactions to Brexit in the United Kingdom, is now the norm. This work challenges and changes the nature of the debate surrounding the role of the Catholic Church in the conflict in Northern Ireland. It will, therefore, be a key resource for scholars of Religious Studies, Catholic Theology, Religion and Violence, Peace Studies, and Twentieth Century History.

Inspired by and based on Pope John Paul II's apostolic exhortation I Will Give You Shepherds (Pastores Dabo Vobis).

The canon for Catholic social teaching spreads to six hundred pages, yet fewer than two pages are devoted to Catholic social learning or pedagogy. In this long-needed book, Roger Bergman begins to correct that gross imbalance. He asks: How do we educate (lead out) the faith that does justice? How is commitment to social justice provoked and sustained over a lifetime? To address these questions, Bergman weaves what he has learned from thirty years as a faith-that-does-justice educator with the best of current scholarship and historical authorities. He reflects on personal experience; the experience of Church leaders, lay activists, and university students; and the few words the tradition itself has to say about a pedagogy for justice.Catholic Social Learning explores the foundations of this pedagogy, demonstrates its practical applications, and illuminates why and how it is fundamental to Catholic higher education. Part I identifies personal encounters with the poor and marginalized as key to stimulating a hunger and thirst for justice. Part II presents three applications of Catholic social learning: cross-cultural immersion as illustrated by Creighton University's Semestre Dominicano program; community-based service learning; and the teaching of moral exemplars such as Dorothy Day, Rev. Martin Luther King Jr., and Archbishop Oscar Romero. Part III then elucidates how a pedagogy for justice applies to the traditional liberal educational mission of the Catholic university, and how it can be put into action.Catholic Social Learning is both a valuable, practical resource for Christian educators and an important step forward in the development of a transformative pedagogy.

In 2018, for the first time in nearly forty years, the United States Conference of Catholic Bishops published a pastoral letter against racism. Open Wide Our Hearts is a call to a humble and expansive love that respects human dignity and unites us all in Christ. Now, in Reading, Praying, LivingThe US Bishops' Open Wide Our Hearts, Alison Benders offers a resource designed to help parishes, RCIA programs, campus ministries, and Catholic readers unpack and grapple with this important document. Benders provides background on the social doctrine that grounds the document, describes why it's so timely, and offers a plan for studying the letter, personally or as a group. In an engaging and accessible way, she walks readers through the scriptural, theological, and moral guidance needed to form our consciences and convert our hearts. And because the work of racial healing is a journey, not an event, each section of the guide also includes questions for personal reflection and attentive discussion and prayers for spiritual renewal or reconciliation.

The International Handbook on Learning, Teaching and Leading in Faith Based Schools is international in scope. It is addressed to policy makers, academics, education professionals and members of the wider community. The book is divided into three sections. (1) The Educational, Historical, Social and Cultural Context, which aims to: Identify the educational, historical, social and cultural bases and contexts for the development of learning, teaching and leadership in faith-based schools across a range of international settings; Consider the current trends, issues and controversies facing the provision and nature of education in faith-based schools; Examine the challenges faced by faith-based schools and their role and responses to current debates concerning science and religion in society and its institutions. (2) The Nature, Aims and Values of Education in Faith-based Schools, which aims to: Identify and explore the distinctive philosophies, characteristics and guiding principles, values, concepts and concerns underpinning learning, teaching and leadership in faith-based schools; Identify and explore ways in which such distinctive philosophies of education challenge and expand different norms and conventions in their surrounding societies and cultures; Examine and explore some of the ways in which different conceptions within and among different religious and faith traditions guide practices in learning, teaching and leadership in various ways. (3) Current Practice and Future Possibilities, which aims to: Provide evidence of current educational practices that might help to inform and shape innovative and successful policies, initiatives and strategies for the development of quality learning, teaching and leadership in faith-based schools; Examine the ways in which the professional learning of teachers and educational leaders in faith-based settings might be articulated and developed; Consider the ways in which coherence and alignment might be achieved between key national priorities in education and the identity, beliefs, and the commitments of faith-based schools; Examine what international experience shows about the place of faith-based schools in culturally rich and diverse communities and the implications of faith-based schooling for societies of the future.
