e-AWB Basel Standard Operating Procedure
Customs Freight Simplified Procedures (CFSP) is customs declaration system introduced to replace period entry and period warehousing. Under CFSP, the importer's representative can arrange clearance of goods via a simplified entry, which is later finalised with a supplementary declaration. In most cases this will give the Importer immediate clearance enabling them to arrange faster deliveries.

Customs Freight Simplified Procedures (CFSP) - Carlton Freight
A freight forwarder, forwarder, or forwarding agent, is a person or company that organizes shipments for individuals or corporations to get goods from the manufacturer or producer to a market, customer or final point of distribution. Forwarders contract with a carrier or often multiple carriers to move the goods. A forwarder does not move the goods but acts as an expert in the logistics network. The carriers can use a variety of shipping modes, including ships, airplanes, trucks, and railroads.
