The King and his noblemen pursued a life of unbridled lust with those that submitted to their power by choice or for the unfortunate, in the dungeons below the castle where bondage insured their submission. Nothing is forbidden for the privileged, not even the unspeakable taboos of society. "King's Dungeon" is set in the 11th century where men dominate and woman had no choice but to submit to any and all demands a man could conceive. King Rulf, after conquering his enemies, returns to take his rightful place on the throne with a wife to bear him many heirs. But there is always time to find his pleasures in the bedrooms of any woman he desires or to satisfy his jaded lust in the dungeons.

Gateway is an academically-rich five-level course designed to lead teenage students to success in school-leaving and university entrance exams and prepare them for university and the world of work.
