The edition of the Standard Babylonian Epic of Gilgamesh published in Andrew George's critical edition of the poem (further details available from Oxford University Press) is a composite variorum edition, in which the evidence of the different first-millennium manuscripts is combined.

SOAS: Standard Babylonian Epic of Gilgamesh

I can only assume that Andrew George didn't have any say in the choice. Dear Penguin: The Persians had nothing to do with the Epic of Gilgamesh; it is a Mesopotamian myth and the Persians were the enemy who conquered Mesopotamia in 539 BCE so they would hardly be well thought of by its writers. You need to change the cover in the next edition.
