Abstract. This stimulating and original Handbook offers an updated and systematic discussion of the relationship between central banks, financial regulation and supervision after the global financial crisis. The crisis has raised new questions about the compatibility of monetary and financial stability, which are changing the face of central banking and its relationships with the architecture of financial regulation and supervision.

Handbook of Central Banking, Financial Regulation and ...

This comprehensive and insightful Handbook, takes a wider angle on central banks and central banking, focusing on the institutions of central banking. By 'institutions', Peter Conti-Brown and Rosa Lastra refer to the laws, traditions, norms, and rules used to structure central bank organisations. The Research Handbook on Central Banking ' s institutional approach is one of the most interdisciplinary efforts to consider its topic, and includes chapters from leading and rising central bankers, ...

Research Handbook on Central Banking

In order to assist credit unions in the implementation of the strengthened regulatory framework (see Section 4 below) the Central Bank has developed a Credit Union Handbook ("the Handbook"). The purpose of the Handbook is to assist credit unions by bringing together in one place a number of legal and regulatory requirements and guidance that apply to credit unions, arising from their authorisation as credit unions.
