Being a UX Designer means I get to use my creative ability in lots of different ways. My favourite part of the job is getting into the user's mindset, and creating storyboards and scenarios to help figure out what kind of problems or issues someone using the product might face (it's kind of like making comic books for a living).

~~How to become a UX Designer | reed.co.uk~~
Learning UX design doesn't have to be a long process. You can become a UX designer within two to four years, without a bachelor's degree or master's degree. Start with an introductory design course and then progress into a UI/UX design certification course focused on career preparedness.
