The competition to get into your college of choice has never been fiercer. Unfortunately, much of the application process is out of your hands. But one major aspect of the admission process is under your control—your personal statement. Your application essay provides you with the opportunity to let your true, unique and totally irresistible self shine through. College Admission Essays For Dummies is your total guide to crafting application essays that will make people sit up and take notice. It demystifies the authority figures who'll judge your work, helps you decide what to write, and then arms you with the knowledge and skills you need to write your essay on time and on target. Step by step, it walks you through the entire essay-writing process, offering priceless tips on how to: Choose the best topic, tone, and structure for your essay Capture the crucial stories that reveal who you are Avoid common pitfalls that can sabotage your application Overcome writer's block Know how to respond to unusual and off-the-wall essay questions Write successful short answers to specific application questions College admission guru Geraldine Woods punctures common myths about application essays and tells you what you absolutely must do to write a good one. With the help of many inspiring and instructive killer essays, she shows you how to: Put yourself in the right mental state for writing well Gather ideas, focus on a topic and choose the best structure for your essay Use topic sentences, detail, and strong introductions and conclusions Write a rough draft Show rather than tell your story Make sure your spelling and grammar are pitch perfect Create smooth transitions and avoid repetitions Your college application essay is your chance to show the committee that you're more than just a statistic. Let College Admission Essays For Dummies show you how to write "admit-clinching" college essays.

Love it or hate it, the five-paragraph essay is perhaps the most frequently taught form of writing in classrooms of yesterday and today. But have you ever actually seen five-paragraph essays outside of school walls? Kimberly Hill Campbell and Kristi Latimer reviewed the research on the effectiveness of the form as a teaching tool and discovered that the research does not support the five-paragraph formula. --from publisher description.

Essay from the year 2011 in the subject English - Literature, Works, grade: 100, language: English, abstract: The Last Song is written by #1 New York Times Bestselling author Nicholas Sparks and released on [1]September 8, 2009 by Grand Central Publishing . Also it was the number one on the weekly bestseller chart of New York Times Best Sellers List on September 18, 2009, and many reviews were written about The Last Song. Besides them, its new movie has been started to play on the cinemas in the U.S.A. since March 31, 2010, so this book is so popular and remarkable, because the characters' behaviours and qualities are created uniquely, the book really impacts on our lives, and some religious informations and sacred books are related with the characters' situations and the events in the book. First of all, the writer creates the characters and gives them some behaviours uniquely. Firstly , the change in Ronnie from a stubborn girl to a mature young lady makes the book more remarkable and special. For example, the novel states that "It was the first time since she'd been here that she'd spoken to him without a hint of anger or frustration." (pg.104) (...) Another reason why this book is remarkable is that the writer really impacts on our lives. First of all, this novel teaches us that there are significant moments that we mustn't miss them and mustn't regret what we miss. One example of this is "I was so mean to him. I quit the piano! I blamed him for everything, and I didn't say more than a few words to him for three years! Three years! And I can't get those years back. But maybe if I hadn't been so angry, he might not have gotten sick. Maybe I caused that extra... stress that did all this. Maybe it was me!"(pg. 321) (...) Finally, some religious informations and sacred books are related with the characters' situations and the events in the book appropriately. Firstly, in this novel there are things about presence of God, praying and hope. The novel states that "(...)Never forget that God is your friend. (...)He longs to hear what's been happening in your life. Good or bad, whether it's been full of sorrow or anger, and even when you're questioning why terrible things have to happen. So I talk with him." (pg.165) (...) As a final word, the characters' behaviours, situations and creations are unique, and the book really has an effect on our lives ,and using religious connections make the book more remarkable. (...) There are also journal entries and vocabulary.

Essay Writing offers both staff and students a solid reference for one of the main methods used for assessing knowledge and understanding – the written essay. In contextualizing essay writing within the larger university experience – communication, the academic culture, different learning styles and approaches and learning and teaching at university, this book helps students to study more independently, learn more meaningfully and to write first-class essays.

This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length. The more than 500 entries by 275 contributors include entries on nationalities, various categories of essays such as generic (such as sermons, aphorisms), individual major works, notable writers, and periodicals that created a market for essays, and particularly famous or significant essays. The preface details the historical development of the essay, and the alphabetically arranged entries usually include biographical sketch, nationality, era, selected writings list, additional readings, and anthologies

Eminent scholars discuss the politics and practices of generating scholarship in rhetoric and composition studies. Publishing in Rhetoric and Composition is a collection of essays about the politics and practices of generating scholarship in rhetoric and composition. The contributors to this book, many of whom are current or past editors of the discipline's most prestigious scholarly journals, undoubtedly have their finger on the pulse of composition's most current scholarship and offer invaluable insight into the production and publication of original research. They discuss publishing articles and reviews, as well as book-length projects, including scholarly monographs, edited collections, and textbooks. They also address such topics as how composition research is valued in English departments, recent developments in electronic publishing, the work habits of successful academic writers, and the complications of mentoring graduate students in a publish-or-perish profession. An inviting and helpful tone makes this an ideal textbook for research methodology and professional writing courses.
