Through their rigorous training and client supervision, most trained counsellors will be acutely aware of leaac T. Hopper, National Anti- Through their rigorous training and client supervision, most trained counsellors will be acutely aware of how prejudice, discrimination and oppression can affect therapeutic relationships, having learnt how oppression is created not only by overt prejudice but also by deeply ingrained, often unconscious social, political and cultural influences.

~~Challenging fat oppression - baep.co.uk~~

The concept of oppression has been written about by scholars and educators in various fields. Oppression has been defined as a system that allows access to the services, rewards, benefits, and privileges of society based on membership in a particular group. Oppression involves the abuse of power whereby a dominant group engages in unjust, harsh, \u2013
