Queering Elementary Education: Advancing the Dialogue ...

Queering Elementary Education is the first carefully constructed work written for educators who are ever on the front lines in the worldwide struggle to eliminate prejudices born of societal ignorance.This extraordinary book was conceived in the summer of 1997 when its editors envisioned what one of them, William J. Letts, IV called: 'a project that would take into account the lifeworlds of children, their families, their teachers, and their schools.'

Queering Elementary Education: Advancing the Dialogue ...

Queering Elementary Education is an important contribution to nourishing the ethical heart of teaching, reminding us how anemic and cold and partial our embrace of our students has too often been. For some readers this collection will be an affirmation, for others a surprise and challenge. But it is a book for all teachers and parents, indeed for anyone concerned with the healthy development ...
