In 1517, the Ottoman Sultan Selim "the Grim" conquered Egypt and brought his empire for the first time in history into direct contact with the trading world of the Indian Ocean. During the decades that followed, the Ottomans became progressively more engaged in the affairs of this vast and previously unfamiliar region, eventually to the point of launching a systematic ideological, military and commercial challenge to the Portuguese Empire, their main rival for control of the lucrative trade routes of maritime Asia. The Ottoman Age of Exploration is the first comprehensive historical account of this century-long struggle for global dominance, a struggle that raged from the shores of the Mediterranean to the Straits of Malacca, and from the interior of Africa to the steppes of Central Asia. Based on extensive research in the archives of Turkey and Portugal, as well as materials written on three continents and in a half dozen languages, it presents an unprecedented picture of the global reach of the Ottoman state during the sixteenth century. It does so through a dramatic

recounting of the lives of sultans and viziers, spies, corsairs, soldiers-of-fortune, and women from the imperial harem. Challenging traditional narratives of Western dominance, it argues that the Ottomans were not only active participants in the Age of Exploration, but ultimately bested the Portuguese in the game of global politics by using sea power, dynastic prestige, and commercial savoir faire to create their own imperial dominion throughout the Indian Ocean.

Teaching history should not be reciting an endless list of dead men, entombed between the covers of a textbook. Instead, *Breaking Away from the Textbook* offers a fascinating journey through world history. Not a comprehensive, theory-heavy guide, this book focuses on active classroom activities, methods for students to grapple with humanity's issues, and innovative ways to show students the relevance of the past to the world today. Simply put, this book makes world history fun. Soon, your students will be busy debating, thinking, applying, and learning about information that will stay with them for a lifetime. The key to this wonderful work is its incorporation of various disciplines including art, music, and writing to create a fun and active classroom. Volume I covers prehistory to the Renaissance and Volume II covers the Enlightenment to the 20th century. Includes pictures and drawings, appendices, indexes, maps, and a bibliography. Volume III: *More Creative Ways to Teach World History* covers ancient times through the 20th century and beyond. Appropriate for all grade levels.
