Seal Paper Bag Puppet - The Paper Bag Puppet

Written for pre-service and in-service early childhood professionals in child care, preschool, or kindergarten through third grade settings, ART & CREATIVE DEVELOPMENT FOR YOUNG CHILDREN, 8th Edition, takes a child-centered approach to art education. Updated throughout, the book includes an in-depth discussion of technology to aid teachers in understanding the role that technology can play in children's visual art appreciation and production. Guidelines for establishing an inclusive art program in classrooms for young children are included for early childhood professionals. Activities and recipes make the text a valuable resource for in-service teachers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Fresh, fun ideas for children's storytime fill this book. The author, a long-time storytime facilitator, has put together 52 weekly themes plus additional plans for holidays, all with detailed instructions for talking about the theme and choosing the books, crafts, songs, poems, games and snacks. Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference. Libraries, bookstores, preschools and parents alike can use this book to offer themed storytimes that include discussion, literature, art, music, movement and food. Options are provided for each storytime, so the ideas can be used year after year.

This updated and expanded fourth edition of a popular reference book for teachers and librarians to use in planning interesting extension projects, holiday events to promote diversity, and cross-cultural understanding indexes 725 new books and features over 1,000 indexed projects. Indexes build on the previous three volumes. The book is indexed by subject and author and features indexes to educational games, crafts, activities, and more. It will be particularly useful to educators for use in the social studies curriculum, but also valuable to daycare providers and parents. Booklist and Appraisals and others favorably reviewed previous editions. Complete bibliographic information is given for all books indexed. Grades K-8.

What is true love? How can so many people experience it while others seem to be missing out? In This is True Love, author Dr. Adam Wolfe helps singles and courting couples prepare for a lifelong, loving relationship. He also helps married couples repair, strengthen, and enhance their relationship in ways they've never experienced or thought possible. And he offers discussion questions for those who have been divorced so they can reflect on what they've learned from past relationships and move forward with full confidence. Wolfe provides deep insights on the hottest topics that can either keep the flames of love alive or put the fire out. This is True Love shares some hidden truths and helps you ponder the following questions: What do you expect to put into and get out of the marriage? What are your most important needs and desires? How will you handle and interact with family and friends? How will you make and manage money? How well do the two of you communicate? How much passion and intimacy is there in the relationship? Rooted in scripture and with discussion questions included, Wolfe helps you understand more about yourself and/or your partner and why some marriages succeed and others fail. It encourages you to make the right choices with your current or future partner.

This is it! A book that offers you a practical guide with a child-centered approach for students who are preparing to work with children in Kindergarten through third grade classrooms. This updated revision is your key to information on topics such as special needs, multicultural activities, music and movement, and assessment.

Seal Paper Bag Puppet - The Paper Bag Puppet

"Early themes - animals is one of a new series of teacher resource books designed to support teachers as they impart knowledge about commonly-taught themes in early childhood classrooms. The books contain a variety of ideas for using the themes to assist teachers as they convey early skills and concepts using cross-curricular activities in learning centres or whole class activities." --p. iii.
