The Lord Buddha sent his disciples to see Vimalakirti to cure them of their one-sided grasping of His Perfect Teaching (Dharma). Professor Thurman has provided an English translation of the Tibetan version of this sutra. He points out that the original Sankrit edition is now lost and only exists today in two Chinese versions, and one Tibetan version.

The Teaching of Vimalakṛti, originally titled in French L'Enseignement de Vimalakṛti, is a study and translation of the Vimalakirti Sutra by Étienne Lamotte. The English translation by Sara Boin was published in 1976 by the Pali Text Society. The original French-language book was published in 1962 by the Catholic University of Leuven's Institut orientaliste/Instituut voor Oriëntalisme. Lamotte used about 200 Sanskrit and Tibetan manuscripts to collate and corroborate the material for ...

The Vimalakṛti Nirdeṭa, is a Buddhist text which centers around a lay buddhist meditator who attained a very high degree of enlightenment considered by some second only to the Buddha's. It was extremely influential in East Asia, but most likely of considerably less importance in the Indian and Tibetan sub-traditions of Mahṽyṅna Buddhism. The word nirdeṭa in the title means "instruction, advice", and Vimalakṛti is the name of the main protagonist of the text, and means "Tainless Fame ...

An important aspect of this scripture is that it contains a report of teaching addressed to both arhats and bodhisattvas by the layman Vimalakṛti, who expounds the doctrine of ??nyat?, or emptiness, to them. This culminates with the wordless teaching of silence. The Vimalakirti Sutra is written in northern India about 100 CE.

The Lord Buddha was in residence in the garden of Ambapali, in the city of Vaisali, attended by a greatgathering. Of bhikshus there were eight thousand, all saints. They were free from impurities and afflictions, and all had attained self-mastery. Their minds were entirely liberated by perfect knowledge.

Called the jewel of the Mahayana Sutras , this book presents the major teachings of Mahayana Buddhism in a precise, dramatic, and even humorous form. For two millennia this Sutra has enjoyed immense popularity among Mahayana Buddhists in India, centra

This multimedia study environment is intended to allow students to not only read the VKN, but also to contextualize the ideas of the text, the text itself, and the ideas and history of Buddhism.

Vimalakirti & the Awakened Heart: A Commentary on The Sutra that Vimalakirti Speaks by Zen teacher Joan Sutherland, Roshi is a timeless meditation on developing a peaceful and generous heart in a world of sorrows, and on how the awakening of each of us is an inextricable part of the awakening of the world. It's the first volume in a collection called Pilgrim's Bundle, handbooks on traditional philosophy, practices, and poetry in a contemporary voice.

One of the most popular Asian classics for roughly two thousand years, the Vimalakirti Sutra stands out among the sacred texts of Mahayana Buddhism for its conciseness, its vivid and humorous episodes, its dramatic narratives, and its eloquent exposition of the key doctrine of emptiness or nondualism. Unlike most sutras, its central figure is not a Buddha but a wealthy townsmn, who, in his mastery of doctrine and religious practice, epitomizes the ideal lay believer. For this reason, the sutra has held particular significance for men and women of the laity in Buddhist countries of Asia, assuring them that they can reach levels of spiritual attainment fully comparable to those accessible to monks and nuns of the monastic order. Esteemed translator Burton Watson has rendered a beautiful English translation from the popular Chinese version produced in 406 C.E. by the Central Asian scholar-monk Kumarajiva, which is widely acknowledged to be the most felicitous of the various Chinese translations of the sutra (the Sanskrit original of which was lost long ago) and is the form in which it has had the greatest influence in China, Japan, and other countries of East Asia. Watson's illuminating introduction discusses the background of the sutra, its place in the development of Buddhist thought, and the profundities of its principal doctrine: emptiness.
